Your Family Reunion: How to Plan It, Organize It, and ...

No matter whether this is your first family reunion or your tenth, the keys to a successful event are to plan and organize a structure for it, get the people together, and provide opportunities for a variety of memory-making activities.

How to Plan and Organize a Family Reunion: 6 Steps (with ...

1. Ask for other family members to help with planning activities and choosing the time and place. Get the word out - let others know you're planning a family reunion event. Give family members plenty of notice. Usually three or four months advance notice will allow attendees to plan vacation time or make adjustments in scheduling.

How to Plan and Organize a Family Reunion | Holidappy

We were fortunate to have many people willing to provide input and be part of a committee. Good planning was the foundation for our reunion's success. Whether you have a small or large group, planning is the first step to having an organized event. Planning and Steering Committee: Oversaw the entire proceedings. Made sure all souvenir items were ordered and delivered on time.

10 Steps for Organizing a Family Reunion with Success

1. Make a plan. Start by picking a date and location. Professional planner Bill Gunkel of Reunions Unlimited recommends you begin planning at least 12 months ahead. Your best first step, he says, is sending questionnaires to family members to get input on when, where and what they want.
